Authorization for DENSO INTERNATIONAL AMERICA, INC.

To Whom It May Concern:

Atheros Communications, Inc. authorizes DENSO INTERNATIONAL AMERICA, INC. to submit Atheros' technical documents for the AP48 Access Point design to the FCC as required to obtain Part 15 authorization. We understand DENSO INTERNATIONAL AMERICA, INC. will file for FCC certification using the Atheros design and their own FCCID and branding.

We understand the applicant will request that the FCC keep the technical description/theory of operation, schematic, antenna specification and bill of materials from public view.

Regards,

Michael Green / Manager, Global Product Compliance
