Subject: RFI related modifications incorporated  
into unit with - **FCC ID: LXH-P0005-U**

Dear Sirs:

This letter serves as our declaration that all modifications listed below were implemented in the sample submitted for testing. We further declare that the same modifications will be implemented into all production units to enhance compliance of the units to FCC limits.

The modifications include the following:

- 1) Added two capacitors on the solder side of main board for EMI. They will be built into the component side after circuit re-layout. (see photo 8)

If you have any further questions or comments regarding the above, please don't hesitate to contact Mr. Mike Su of ADT Lab. at fax No.: 886-2-2602-2943 or
