Subject: Software version declaration for FCC ID: LYHRAPACV1

To whom it may concern,

We, Siemens Aktiengesellschaft, 76181 Karlsruhe, Germany, declare that the FW Version V02.00.00 used on the tested module is identical with FW V03.00.00 with respect to radio parameters and DFS behavior within the U.S. regulatory domain. The DFS functionality as requested with our C2PC has been added to our FW 02.00.00 solely for the FCC certification purposes. Once the grant is issued the FW with the DFS channels will be officially released with the version number V03.00.00.

Sincerely yours,

For Siemens Aktiengesellschaft
