FCC Warning Statement

The device shall bear the above FCC statement in a conspicuous location on the device. Text is black or white in color and is left justified. Labels are silk-screened and shall be “permanently affixed” at a conspicuous location on the EUT. Per FCC rules, when the device is so small or for such use that it is not practicable to place the statement on it, the information required could be placed in a prominent location in the instruction or manual or pamphlet supplied to the user or alternatively, shall be placed on the container in which the device is marked. Generally, the FCC Warning Statement is provided in the product manual.
