

Notes on The COX 'ICON' Transmitter FCC Label Product M45054064

Please note the attached image of the label.

The label is printed on a self-adhesive backed brushed foil material. The printing color is black. The black printed frame measures 16mm (0.63") X 40mm (1.57"). The final cut size of the label is 17mm (0.67") X 41mm (1.61"). The label is applied after transmitter assembly and tuning to the bottom of the molded case housing.
