

## CAUTION

Risk of electric shock :

- Verify that high voltage is not present on utility wiring prior to installation.
- Do Not Use If output cable or coupler is damaged. Have cable/coupler replaced immediately by qualified service personnel.
- Do not remove housing. No user serviceable parts inside. Refer servicing to qualified service personnel.

Risk of electric shock, burn, and fire:

- Use only to charge electric vehicle with Magne Charge™ Inductive Charge Port. See vehicle owner's manual.
