Dear Sir,

This is to request confidentiality on information submitted for above application. Due to we found recently that our submitted information was used by other applicant without our authorization. This is absolutely illegal. So, we would like to request confidentiality on some exhibits we submitted for above original application for the reason of trade secret. If those exhibits are available for public inspection, any person who once gets the information contained in those exhibits will be able to design and to make the same products very easily. This is a very serious problem and huge loss for us, because we did invest so much on it.

Please be not made the Exhibit Types listed below routinely available for public inspection:

Circuit Diagram.

Best regards,
