

Dear Tim,

We has been modified the documents per your comments, please refer to the attachments for the revised documentation which list as below,

1. User's manual - modified output power
2. Schematics - Added component value
3. Class II change letter - Added the component change list

Should you have any further advice, please do not hesitate to contact me directly, thank you for your time!

Meanwhile, I would like to take this opportunity to sincerely thank you for your support! On behalf of everyone here in Intertek Taiwan, wish you have a merry Christmas and pleasant 2005! Enjoy your holiday!!!
