RE: Z- COM INC.
FCC ID: M4Y-0XG950

I have a few comments on this Application.

- 1.) In the Users Manual under caution on page 34 before the co-location of antennas statement it should read:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

Please revise and upload files to ATCB.

Thank you,

Douglas E. Noble
Examining Engineer
