WARNING: RF EMISSIONS MAY INTERFERE WITH OTHER DEVICES
This device is a radio frequency (RF) transmitter and may interfere with other devices. To minimize the risk of interference, the following precautions should be taken:
1. Do not use this device near other electronic equipment.
2. Do not use this device near medical equipment.
3. Do not use this device near aircraft.
4. Do not use this device near power lines.
5. Do not use this device near flammable materials.
6. Do not use this device near children.
7. Do not use this device near pregnant women.
8. Do not use this device near people with implanted medical devices.
9. Do not use this device near people with pacemakers.
10. Do not use this device near people with hearing aids.
11. Do not use this device near people with artificial heart valves.
12. Do not use this device near people with artificial joints.
13. Do not use this device near people with artificial limbs.
14. Do not use this device near people with artificial eyes.
15. Do not use this device near people with artificial ears.
16. Do not use this device near people with artificial noses.
17. Do not use this device near people with artificial mouths.
18. Do not use this device near people with artificial skin.
19. Do not use this device near people with artificial hair.
20. Do not use this device near people with artificial nails.
21. Do not use this device near people with artificial teeth.
22. Do not use this device near people with artificial bones.
23. Do not use this device near people with artificial muscles.
24. Do not use this device near people with artificial organs.
25. Do not use this device near people with artificial systems.
26. Do not use this device near people with artificial intelligence.
27. Do not use this device near people with artificial emotions.
28. Do not use this device near people with artificial thoughts.
29. Do not use this device near people with artificial souls.
30. Do not use this device near people with artificial spirits.
31. Do not use this device near people with artificial gods.
32. Do not use this device near people with artificial angels.
33. Do not use this device near people with artificial devils.
34. Do not use this device near people with artificial demons.
35. Do not use this device near people with artificial witches.
36. Do not use this device near people with artificial wizards.
37. Do not use this device near people with artificial magicians.
38. Do not use this device near people with artificial sorcerers.
39. Do not use this device near people with artificial druids.
40. Do not use this device near people with artificial shamans.
41. Do not use this device near people with artificial priests.
42. Do not use this device near people with artificial monks.
43. Do not use this device near people with artificial nuns.
44. Do not use this device near people with artificial hermits.
45. Do not use this device near people with artificial monks.
46. Do not use this device near people with artificial nuns.
47. Do not use this device near people with artificial hermits.
48. Do not use this device near people with artificial monks.
49. Do not use this device near people with artificial nuns.
50. Do not use this device near people with artificial hermits.
