

OK	ID	#	Non-Conformity or Comment	Submitted Response	Respondent / Date of Response
x		1	The application is marked as a PCII, however this ID does not exist. We're assuming that this application was intended for a new certification. Can you please confirm?	Reply: Yes, this application is intended for new certification.	Menardo Lazaro, 8/10/10
x		2	In the test report on page 8, the QP emissions for the fundamental on the neutral lead indicate data exceeding the limit by 9dB. Please provide an updated test report demonstrating compliance with the emissions limitations (note see the following link: http://fjallfoss.fcc.gov/oetcf/kdb/forms/FTSSearchResultPage.cfm?id=34866&switch=P	Updated test report provided	Menardo Lazaro, 8/11/10
x		3	>3) The test report indicates on page 11 that volage variations did not show a variation in frequency at +20C, however the data required for compliance with 15.31(e) is missing (field strength level over power supply variations at nominal temperature). Please provide updated test report containing this data.	Updated test report provided.	Menardo Lazaro, 8/11/10
x		4	On the confidentiality letter, the FCC only recognizes the person listed on the grantee information (Tony Smith) or that person's authorized representative. To meet the FCC's requirements, I need a letter from Tony delegating authority to you to sign documents on his behalf or I need the grantee code information changed to place you as the "Authorized Individual."	Letter Provided	Tony Smith 8/11/10
