RE: Cover Letter

To whom it may concern:

The FCC test report number 200301.1 for T30 Reader – Multi Tech (Model No.: C300490) also covers the other models of T30 Multi Tech Reader (Model No.: C300491) and T30 Mifare Readers (Model Nos.: C300495 and C300496). All these model numbers are to be certified under FCC ID: M5VC30049X.

#	Product Characteristics:	Products are:	
		Same	Different
1	Radio Frequency Operating Range(s)	X	
2	RF Power / Field Strength	X	
3	Radio Frequency Circuitry	X	
4	Antenna Characteristics	X	
5	Associated Digital Circuitry		X
6	Functional Capabilities	X	
7	Cosmetic Differences		X

For any differences, a description is provided in the table below.

#	Description of differences:
5	The associated digital circuitry of models C300490 and C300491 have additional FCC and IC certified Bluetooth Low Energy (BLE) module in the Multi Tech variants for wireless communications with another Bluetooth capable device. The Mifare variants C300495 and C300496 do not have this circuit.
7	The models C300490 and C300495 have black enclosures, while C300491 and C300496 have white enclosures.

Brief statement as to why the products should qualify for family approval:

The products all share the same hardware.
 The radio parameters are identical among all family members.

Sincerely,

Menardo Lazaro
