

# SmartReader R Series – Antennas Internal Construction

**600mm x 400mm Antenna Panel G03121**

**1300mm x 600mm Antenna Panel G031424**

Cross Sectional View (600mm x 400mm Antenna Panel G03121)

600mm x 400mm Antenna Panel G03121 and 1300mm x 600mm Antenna Panel G031424 have similar internal construction. There is hardened foam like material inside to prevent the antenna wire from any movement. Antenna wires are winded with couple of turns as shown on the diagrams below.

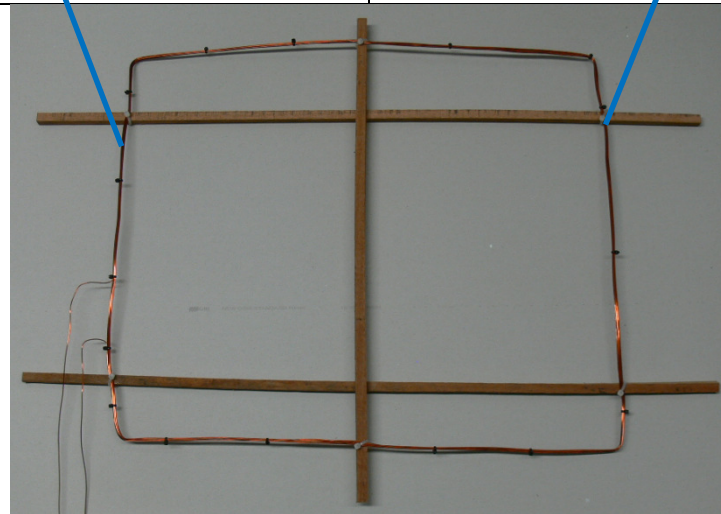

## Sheep Auto Drafter (G05714) Antenna – Construction and Location

**Front View**

**Rear View**

**2 x Antennas (550mm x 500mm) located on the front and rear of Sheep Auto Drafter**
