Features

Connect Cables

Connect Stand*

*For wallmount installation, an optional accessory is available. For more information, contact your reseller.

Connect Optional Headset

Your phone supports wired and wireless headsets, including electronic hookswitch (EHS) headsets. VVX 600/601 phones also support Bluetooth headsets.

For connection directions, refer to your headset documentation. Standard headsets typically use the RJ-9 or USB port, while EHS headsets use the RJ-9 and serial port. The ports are on the back of your phone, as shown in the diagram.

Connect Optional USB Devices

You can attach a USB headset, or a USB flash drive (to record calls, use the Digital Picture Frame feature, or to change the background picture on your phone). To learn more, see your phone's User Guide.
