Hello

1) Please send this information directly to the pending application as a cover letter exhibit - use "add attachments" via our Web page. The "description" could be something such as correction to FCC ID.

2) If it has not already be done, please submit a label drawing exhibit, indicating the correct ID.

3) Indicate the correct ID on the Fee Remittance Advice Form 159.

HI,

I summitted form 731 with an incorrect FCC ID # for EMR Corporation.  
Confirmation ID # EA96606 , has an incorrect FCC ID #.

Wrong: FCC ID: M7GVHF150-60

Corrected FCC ID: M7G-VHF150-60

Please make the necessary changes to the application and forward an e-mail to  
bryan@dnbenginc.com with the confirmation.

Thank You
