## Declaration Letter

To whom it may concern:

We have declared this equipment complies with FCC/ISED radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20 cm between the radiator & user's body.

The device will not be directly sold to end users and holes are designed on the device to aligning with specific enclosures. Inappropriate installation such as third party trying to have this board installed in other enclosures by changing design will lead to damage and malfunction.

Specific antenna cable length is used as the distance from the location of Module to the Antenna, shorter cable length cannot reach this distance.
