## Declaration letter

Date: 2019-01-11

FCC ID: M82-ZENOCU000

To Whom It May Concern:

ZenoCCU is a WLAN/Bluetooth combination antenna with FCC ID: M82-ZENOCU000. This WLAN/Bluetooth co-existence mechanism is to ensure that the WLAN and Bluetooth transmitters would not simultaneously operate. Also the 2.4G and 5G WiLAN cannot transmit simultaneously. Therefore, WLAN and Bluetooth antenna in ZenoCCU should not be considered to be able to transmit simultaneously.

Though the users can use WLAN and Bluetooth simultaneously, but the real situation is that WLAN and Bluetooth are used by time sharing and no overlap transmission.

Thank you for your attention.

Sincerely yours,

-----
