Dear To whom it may concern,

The basic model is DOGDirector700, and simplified derivation based on model name of each buyers.  
The variant models are DD700, FFH700, CC700. The H/W version and PCB design are same. And  
the other thing is the same.

The difference description between models is shown in the table below.

Product name	Model name	Basic Model	Variant mode	Difference
Dog Training	DOGDirector700	O	-	
	DD700	-	O	Simplified derivation
	FFH700	-	O	Simplified derivation
	CC700	-	O	Simplified derivation

\* Variant models : simplified derivation based on model name of each buyers.
