TO WHOM IT MAY CONCERN

Pursuant to CFR § 2.933, SAGEM SA submits the following statement in support of its application for change in identification of equipment from **M9H95X32A** to **M9H95X32AMR**

- (1) The original identification used on the equipment prior to the change in identification was: **M9H95X32AMR**
- (2) The date of the original grant of the equipment authorization was: 12-15-2003
- (3) The equipment bearing the modified identification differs in hardware in no way from the original equipment.
- (4) The original test results submitted with M9H95X32A continue to be representative of and applicable to the equipment bearing the changed identification
- (5) The photographs showing the exterior appearance of the equipment, including the operating controls available to the user and the identification label are submitted herewith

Applicant is requesting the change in order to harmonize the FCC Identifier with the product name for logistics purposes.

If you have any questions, please feel free to contact us at the address shown below
