RE: Permissive change for RF IDEas WO 82971 Model BSE-PCPRXH-USBV2

Dear Mary Ellen,

The BSE-PCPRXH-USBV2 (a.k.a RDR-6081AKU/RDR-6081AK2/RDR-6082AKu/RDR-6081AK2) is merely a design shrink of our original BSE-PCPRXH-USB with an addition of a piezo beeper. The main RF module is unchanged ad well as the Microprocessors and operating frequencies.

Regards,

Greg Gliniecki
