RE: Certification Application

FCC ID: **MAU012**

Model: M220

We would like to apply for FCC Certification on the subject model (EUT). The EUT is a Notebook Personal Computer.

We have uploaded the related document for the EUT onto your website. Please review the information we submitted and issue us a grant for the subject model. If you have any comments, please do not hesitate to contact us.

Thank you for your attention to these matters.

Sincerely,

Eddy Hsiung / Director

International Standards Laboratory

RE: Certification Application

FCC ID: **MAU012**

Model: M220

The following label information is required by the FCC Rules and Regulations for certified devices. Please find marketing information required by the FCC Rules and Regulations as following:

#### **Label Requirements**

An intentional radiator device subject to certification by the FCC shall carry a warning label which includes the following statement:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The sample label shown shall be permanently affixed at a conspicuous location on the device and be readily visible to the user at the time of purchase.

Sincerely,

Eddy Hsiung / Director
