

Product Equality Declaration

Date: Nov. 19, 2008

We, MiTAC Technology Corp., declare on our sole responsibility for the 9212XY (model) as below:

We ensure that all transmitters have been tested. Additionally, due to different demand for EU market and USA market, we keep the internal SIM slot for EU market and subject to all rules.

The products which are imported to USA, this 3G function would not be available.

Should you have any questions or comments regarding this matter, please have my best attention.

Sincerely,

Elena Lu 11/21/2008
