RE: Request for confidentiality regarding application for certification of FCC ID: MBPSDI011-1000

To Whom It May Concern:

Pursuant to Sections 0.457 and 0.459 of the Commissions rules (47 CFR §§ 0.457, 0.459), the applicant hereby requests confidential treatment for documents filed with the Commission in connection with the application for certification referenced above as follows.

The applicant requests that the Commission withhold the following documents from public viewing indefinitely:

- Block Diagram inside document "SDI011-Functional Block Diagram.PDF"
- Schematics inside document "IND.SDI011.ESCH.REV1.0.PDF"
- Operational description inside document "100264-AU01 Operational Description of SDI011.PDF"

These documents reveal detailed technical and design information that is protected by the applicant as confidential and proprietary trade secrets. This information has been disclosed to those required to maintain its confidentiality, and is not customarily disclosed to the public even after commercial release of the device. As result, disclosure of this information by the Commission would harm the applicant by giving competitors an unfair market advantage even after commercial release of the device.

Thank you for your attention in this matter.
