SUBJECT: Standard Telecom Co., Ltd.
FCC ID: MBUNXC3300
731 Confirmation No.: 101171
Correspondence Reference No.: 19697
Request for Tech. Info.: 6/20/01

Dear Joe:

Transmitted herewith, on behalf of **Standard Telecom Co., Ltd.** is an amendment provided in response to the request for technical information dated June 20, 2001.

1. Please find the attached confidentiality letter.
2. Please find the attached holster photos. There is no model number designated for this holster.
3. Please find attached the SAR data points for the standard battery to compare with the data for the extended battery.
4. The EIRP was measured at 24.5 dBm conducted. The factory power setting in the PCS mode will be 24.5 dBm.

We trust this information is sufficient for the immediate grant of this application. If you have any further questions, please do not hesitate to contact us.

Randy Ortanez
President
