Attention: Mike Kuo
 Reviewing Engineer

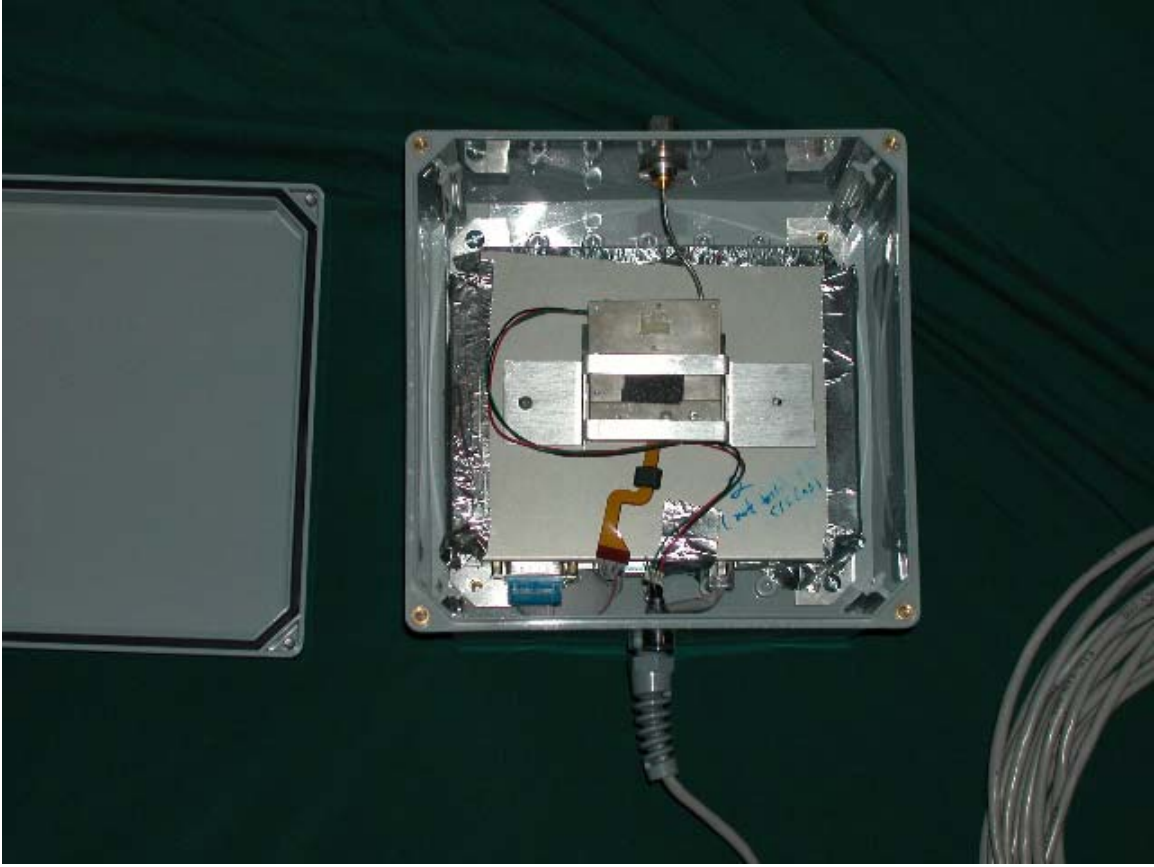

Applicant: RadioLAN Marketing Group

Re: Modifications to FCC ID: MCI-397

Dear Mike,

Metal tape will be placed around the seams of all production units, as shown in the photograph. This modification was required for passing radiated emissions testing.

RadioLAN has been informed of this requirement and will comply.

If you have questions or need further information, please contact the undersigned

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Cokenias".

THOMAS N. COKENIAS
EMC Consultant/Agent for RadioLAN Marketing Group
