Re: Supersede request for FCC ID: **MCLJ20H066**; Granted on **08/13/2012**

To Whom It May Concern:

Per customer request, label design changing issue, the "Label" and the "Label Location" were revised, no any other changes.

We would like to request the FCC to supersede the exhibit described as "Label" and "Label Location" outlined below with red color. Two new files will be submitted to replace the previous files.
