

Authorization Letter
{ From TN to Professional Testing }

This letter grants Professional Testing to file for FCC Approval of the Model 1440 microwave level gauge on TN's behalf.

FCC Approval:	Type Acceptance (Part 90) on a non-broadcast Transmitter
Frequency Range (MHz):	9500 to 10600 (requested)
Output (Watts erp):	1

TN wants to keep the schematic/s, assembly documentation, and bill-of-material/s confidential.

TN (Design Engineer) Michael H. Fesler
