Subject: Class II Permissive Change

Applicant: Digi International Inc.

FCC ID: MCQ-XBRR

A Class II Permissive Change is requested for updating the exhibits in the filing for the addition of an antenna. The antenna is embedded in the PC board substrate of a USB carrier board, and this carrier board is enclosed in a plastic USB adapter housing.

I also certify that the information provided, properly described the device or system for which Class II Permissive Change is required.
