Request for Confidentiality

Company name: Digi International
FCC ID: MCQ-XLRP
FCC Part 15 Certification

Gentlemen,

Pursuant to 47 CFR 0.457(d)(1)(ii) and 0.459 Digi International hereby requests permanent confidentiality of the following documents for the subject application:

Exhibit Type	File Name	Description
Product Block Diagram	XLRP_Block_Diagram_Confidential.pdf	
Description of Product	XLRP_OpDes_Confidential.pdf	
Bill of Materials	XLRP_BOM_Confidential.pdf	
Product Schematics	XLRP_Schematic_Confidential.pdf	

Reason why the material should be withheld from public inspection:

These documents contain detailed system, equipment description and related information about the product which Digi International considers to be proprietary, confidential, and a custom design otherwise not released to the general public.

State why the information is a "trade secret;":

Since the design is a basis from which future technological products will evolve, Digi International considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Trade secret" information is information which is not generally known or reasonably ascertainable, by which a business can obtain an economic advantage over competitors. The information is not normally released to any party or person outside the company.

State whether the information is publicly available anywhere else:

The information listed above is not publicly available

Sincerely,

Signature: _____
