This remote can be paired with certain Comcast devices. To see if your device supports pairing:  
1. Press and hold Setup until the LED changes from red to green, and release.  
2. Press the XFINITY button, and release.  
3. If the Pairing Screen is not displayed, press XFINITY again, up to two more times.  
If your device supports pairing, an instruction screen will be displayed. For more information, visit [www.xfinity.com/remotes](http://www.xfinity.com/remotes)
