Scott,

Attached is the 15.31 (e) Statements for the Dongle unit.

Also the modulation is Minimum-shift keying (MSK).

Mr. Fujimoto:

In order for processing of this certification application (FCC ID: MG34501-R) to continue, the following issue(s) will have to be addressed:

1) Please indicate the type of modulation employed by the device.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Please upload responses and/or exhibits to the electronic filing website. Your correspondence number is MG34501-R-1.

Best regards,

Scott McCutchan
