## **LABELING INFORMATION**

# Product Labeling

## FCC ID Label

Actual size of the label is 1.0" x .25" and will be placed on the shield of the product. Only the FCC Identifier will appear on the label due to the limited space available on this miniature product (entire product size is 1" x 1.5"). All other FCC information will be contained in the front of the Operator's Manual.

The label will appear on the shield as shown below:
