

## AGENCY AGREEMENT

Federal Communications Commission  
P.O. Box 429  
Columbia, MD 21045

Date: February 9, 2000

Gentlemen:

I hereby appoint United States Technologies to act as our agent in the preparation of an application for equipment authorization of the Hornet Transceiver under Part 15 of the FCC Rules and Regulations. I certify that Exhibit: 1e

           properly describe the device or system for which authorization is sought, that the information described in the User's Manual will be provided with each item manufactured or distributed by the applicant, and that the labels described by Exhibit 3 will be affixed to each item manufactured or distributed by the applicant. I further certify that appropriate arrangements have been made to assure that production units of this equipment bearing the name and FCC IDENTIFIER listed in this application will continue to comply with the Commission's requirements.

I further certify by signature below that no party (per 47 CFR 1.2002 (b)) to the application is subject to a denial of Federal benefits, including FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853(a).

This appointment also includes the authority to complete FCC Form 731 on our behalf and sign the application as an authorized agent.

## CONFIDENTIALITY REQUEST

Federal Communications Commission  
Equipment Authorization Branch  
7435 Oakland Mills Road  
Columbia MD 21046

Date: February 9, 2000

Gentlemen:

Xetron Corporation respectfully requests confidentiality of certain materials provided with the submission of the Hornet Transceiver under FCC ID: MH9-HNT2400 in accordance with FCC Regulations 0.459. The confidentiality request applies to the following:

- Schematic contained in Exhibit 4
- Transmission Profile contained in Exhibit 2.6

The Hornet Transceiver has been developed at considerable effort and expense by Xetron Corporation. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Name: R. A. Watson
