

June 16, 1998

Federal Communications Commission  
Equipment Authorization Division, Application Processing Branch  
7435 Oakland Mills Road  
Columbia, Maryland 21046

Subject: Model Name Change: FCC ID MIVGW9701A

To Whom It May Concern:

The model name for the item identified under FCC ID MIVWG9701A should be changed in all instances for the subject application as listed below:

Old Listing:           **Inet Inc., SPIDER MITE PCMCIA CDPD/CS Modem**

New Listing:           **Inet Inc., SPIDER II PCMCIA CDPD/CS Modem**

This change should be made to the Form 731, Reports and Label information. If you have any questions during your review, please contact me.

Sincerely,

Jeffrey A. Lenk  
President  
Professional Testing (EMI) Inc.  
Round Rock, Texas
