Report #: R37959

September 6, 2000

Gentlemen:

Please disregard the request for confidentiality submitted with the Class II Permissive Change for the above product. The block diagram, schematics, and associated theory of operations have not changed from the original submittal. Nothing in the current submittal is required to be held confidential.

Sincerely,

A handwritten signature in black ink that reads "David W. Bare". The signature is written in a cursive style with a large initial "D".

David W. Bare
Principal Engineer

DWB/dmg
