FCC Part 15.247 Certification  
Request for Confidentiality

Gentlemen:

In accordance with 0.459 of CFR 47, OTC Wireless hereby requests confidentiality of the Block Diagrams, Schematic Diagrams, Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which OTC Wireless considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, OTC Wireless considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Jen Tsao  
Program Director
