Dear Frank:

Thank you for your letter regarding FCC ID No. ML9150E.

Since applications for and grants of equipment authorization are no longer required for standard AM FM and TV transmitters under part 73, I agree that this application should be dismissed. I would appreciate it if you could return the filing fees.

Sincerely,

PETER FORTH

Re: Application dated March 30, 1999 and received March 30, 1999  
Equipment Class: TBC-Licensed Broadcast Station Transmitter  
Applicant Name: Ptek  
FCC ID: ML9150E

Gentlemen:

The information listed below or on the attachment to this letter must be submitted before processing can proceed. Failure to provide the requested information within 60 days may result in application dismissal pursuant to Section 2.917(c) of the Commission's Rules and forfeiture of the filing fee pursuant to Section 1.1108.

Applications for and grants of equipment authorization are no longer required for standard AM, FM and TV transmitters under Part 73. It appears that this application should be dismissed.

Further, your application is incomplete by previous guidelines.

Please indicate your agreement with dismissal of this application.

Importation and marketing of equipment bearing the referenced identification is prohibited until such time as a Grant of Equipment Authorization has been issued. Failure to comply with the provisions of Section 2.803 of the Rules may subject you to the penalties provided in Sections 501 and 502 of the Communications Act of 1934, as amended.

To avoid further processing delays, please attach a copy of this letter to your reply and address it to the attention of the undersigned.

Replies to this letter MUST contain the Reference Number: 8260

Sincerely,

Frank Coperich  
Electronics Engineer
