

FCC ID Label

The following document provides the information regarding the FCC ID label for each of the three models of the aforementioned device:

1. Model **Galaxy Remote Transmitter** (enclosure B)

The picture below shows the front of the device that includes the FCC ID information (since the device is smaller than a palm the full statement will be included in the User Manual instead of on the label).

2. Model **Irriwise Transmitter** (enclosure N)

The equipment label shown below is affixed to the Irriwise transmitter model on the back panel as depicted in the photos (see *External_Photos Enclosure N*).

FCC ID: MLLCPTX450A

Model: **Irriwise Transmitter**

S/N: nnnnnn

Label Dimensions: 58 mm. x 24 mm.

Label Location: Transmitter back panel

3. Model **SpeedRead Transmitter** (enclosure S)
