RE: Miltel Communications Ltd.

FCC ID: MLLGL2RPT150

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) Your response references an FCC ID: MLLIWCTX15-17. This does not appear to be a valid FCC ID. However a similar ID MLLIWCTX15-17 was found. Please review/explain as necessary.

A handwritten signature in black ink, appearing to read "Timothy D. Johnson".

Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
