Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

Subject: MIDLAND RADIO CORPORATION - FCC ID: MMA901115

To whom it may concern:

This Class II permissive change is being submitted to add two emissions designators to the grant. The emission designators being added are for P25 modulation (C4FM). Below is a detail of the change requested.

The attached test report shows that the emission meets the proper mask for this emission type.
