To Whom It May Concern:

Ref: FCC ID: MMA91110B, GRANT DATE 12/05/2006

Referenced radio was FCC approved listing frequency range of 150 – 174 MHz. Midland Radio Corporation requests re-issue of the grant listing the full operating range of 146 – 174 MHz. Request is made under the provisions of a Class II Permissive Change.

Sincerely,

David Kingsolver
Director of Engineering
Midland Radio Corporation
