

9/15/06

Intertek Testing Services is asking for the dismissal of the FCC filing for Remote Technologies we submitted on 9/8/06. The FCC ID for this filing is MMURT10400 and the FCC Form 731 Confirmation Number is TC 391167.

We are asking this FCC filing to be dismissed because the FCC ID was entered into the system incorrectly when filing electronically. The FCC ID should be MMURT10500, and will be so when we re-file with the FCC under a new application.

Thank you,

A handwritten signature in black ink that reads "Melissa Paulson".
