To Whom It May Concern:

Safety 1st, Inc. requests, under 47 C.F.R. 0.459, that materials submitted to the commission be withheld from public inspection. Safety 1st, Inc. hereby requests that the materials attached here to be withheld from public inspection in accordance with 47 C.F.R. 0.459.

Specifically, Safety 1st, Inc. requests that the following materials be withheld from public inspection because the transmitter schematic is considered a confidential trade secret and technical data which customarily would be guarded from competitors. A copy of a detailed schematic of the **49233** Transmitter is attached.

Therefore, in accordance with 47 C.F.R. 0.459, Safety 1st, Inc. requests that the above listed materials, copies of which are here to be withheld from public inspection.

Sincerely,

A handwritten signature in cursive script, appearing to read "Paul Ware", written in dark ink.
