To Whom It May Concern:

We request under 47CFR0.459 that materials submitted to the Federal Communications Commission be withheld from public inspection.

Specifically we request that the following materials be withheld from public inspection under 47CFR0.459 because the information is considered to be confidential trade secrets and technical data, which customarily would be guarded from competitors.

- (1) Detailed circuit Schematics of EUT are found in the electronic attachments.
- (2) Bill of Materials
- (3) Photographs of the interior of the EUT and PCB.
