Dear Gary,

On April 12th, 2004, the shareholders of California Amplifier, Inc. approved the Acquisition of Vitek Corporation. Vitek is now wholly owned by California Amplifier, Inc.

Since 1998, you have purchased the following products from Vitek:

Toro P/N	Description
102-0187	PCBA, E-Osmac decoder bd.
102-1828	PCBA, RDR Osmac decoder bd.
102-2012	PCBA, RDR Osmac decoder bd.
NB-BS-01	Osmac base station, narrow-band
102-2011	Osmac base station, narrow-band, special price
WB-BS-01	Osmac base station, wide-band
102-2182	Osmac base station, wide-band, special price
NB-BS-LR	Osmac base station, no-radio
NB-HHRI-01	Hand-held radio interface, narrow-band Rx
NB-HHRI-02	Hand-held radio interface, wide-band Rx

We expect that the merger of Vitek into the California Amplifier corporate conglomerate will be transparent to Toro. The design and functionality of all Toro products will remain unchanged. All changes, updates, revisions, etc. will be by Engineering Change Order only and you will be notified prior to implementation of any change.

We are looking forward to working with you.

Best regards,

Rick Moore, Wireless Sales Manager
