

Testimonial and Statement of Certification:

This is to certify that the preceding application for a Class II permissive change to FCC ID MNT PTX-150, dated June 4, 2003 meets the following criteria:

1. The application was prepared under the supervision of the undersigned.
2. The technical data supplied in the application was taken under my direction and supervision.
3. The data was obtained on representative units, randomly selected.
4. To the best of my knowledge and belief, the facts set forth in the application are true and correct.
5. The test equipment used to perform the tests reported is calibrated.

A handwritten signature in dark ink, appearing to read "Ronald J. Weber". The signature is written over a horizontal line.

Date 6/11/03

Ronald J. Weber
Vice President Wireless Products
