

REGULATORY INFORMATION

• Government Regulation:

- United States of America

Antenna FCC ID: MOZWA42A

Remote control FCC ID: MOZWT42A

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

- Canada

Antenna IC: 2584A-WA42A

Remote control IC: 2584A-WT42A

This device complies with Industry Canada's license-exempt RSSs. Operation is subject to the following two conditions:

(1) This device may not cause interference, and (2) This device must accept any interference, including interference that may cause undesired operation of the device.

- State, Province, municipal and local regulations:

In some states, provinces or municipalities, the use of Remote Engine Starter may violate or be restricted by state, provinces, municipal or local laws. Among these regulations are noise control, idling control, other by laws with anti-idling provisions and other laws. For instance, laws in some countries require that vehicle be at line of sight of everyone using the Remote Engine Starter.

Before using the Remote Engine Starter, be sure to check and obey your state / province and local laws.

RENSEIGNEMENTS RÉGLEMENTAIRES

• Réglementation gouvernementale

- United States of America

Antenna FCC ID: MOZWA42A

Remote control FCC ID: MOZWT42A

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

AVERTISSEMENT DU FCC: Tout changement ou modification n'ayant pas été expressément approuvé par la partie responsable de la conformité pourrait annuler l'autorité de l'utilisateur à utiliser ce dispositif.

- Canada

Antenna IC: 2584A-WA42A

Remote control IC: 2584A-WT42A

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de

licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

- Règlements des états, provinces et municipalités :

Dans certains états, provinces ou municipalités, l'utilisation du démarreur à distance peut enfreindre les lois des états, des provinces ou des municipalités ou en être limitée par ces dernières. Parmi les règlements, on notera ceux régissant le contrôle du bruit, le contrôle du ralenti et autres lois assortis de dispositions sur le contrôle du ralenti ainsi que d'autres lois. Par exemple, certains pays ont des lois qui exigent que le véhicule soit visible par l'utilisateur du démarreur à distance.

Avant d'utiliser le démarreur à distance, assurez-vous de vérifier et de respecter les lois en vigueur dans votre état, province ou municipalité.

For vehicles sold in U.S.A.:

NOTE

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC CAUTION

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment and meets the FCC radio frequency (RF) Exposure Guidelines. This equipment should be operated keeping the radiator at least 20cm or more away from person's body (excluding extremities: hands, wrists, feet and ankles).

For vehicles sold in Canada:

NOTE

This device complies with Industry Canada's license-exempt RSSs.

Operation is subject to the following two conditions:

- (1) This device may not cause interference; and
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence.

L'exploitation est autorisée aux deux conditions suivantes :

- 1) l'appareil ne doit pas produire de brouillage;
- 2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment and meets RSS-102 of the IC radio frequency (RF) Exposure rules. This equipment should be operated keeping the radiator at least 20cm or more away from person's body (excluding extremities: hands, wrists, feet and ankles).

Cet équipement est conforme aux limites d'exposition aux rayonnements énoncées pour un environnement non contrôlé et respecte les règles d'exposition aux fréquences radioélectriques (RF) CNR-102 de l'IC. Cet équipement doit être utilisé en gardant une distance de 20 cm ou plus entre le radiateur et le corps humain (à l'exception des extrémités : mains, poignets, pieds et chevilles).

The FCC ID/IC Certification number is affixed inside the equipment.
You can find the ID/number when replacing the battery.

<INSTRUCTIONS>

1. This device can transmit a radio wave when you press the button.
2. Please operate this device on your hand.
