Dear Timothy,

As per your review comments for FCC ID: MQ4WB1K5S,
please see the explanation as below:

- 1) Please find the revised diagram attached which provided by our client as per your requirement.
- 2) Please find the revised manual and revised label attached for your review.
- 3) Please also find the revised manual attached for your reference.
- 4) We modified the report regarding to your requirement. Please find the revised report attached.
- 5) For the statement for RBW and VBW setting, please refer to the section 2.1 of report.

I hope the supplements satisfy all your requirement for reviewing this application. If you have further question, please feel free to contact me.

Thank you very much for your kindly help on this project.

Best Regards,
Julia Chu
