Dear Timothy,

Regarding to your review comments, please see the explanation as below:

- 1) Please find the re-taken photo with doc file as attached per your requirement. (Since the document will larger then our mail limit, thus I'll sent the photos in next mail)
- 2) Sorry for my carelessness mistake. Please find the Installation guide as attached.
- 3) We modified the report (spectral density) as your advise, please find attached for your reviewing.

If it is all right after your review, please kindly replace the supplement to original. Thank you!

Best Regards,  
Julia Chu
