Subject: Application for Certification of a Intentional Radiator per Part 15.247 of the FCC Rules.

FCC Identification Number: **MQOTT500-28300**

731 Confirmation Number: **EA95607**

To whom it may concern,

Please find in the attached files, exhibits and documentation for the VoCollect, Inc. **Apollo Terminal** product. My client is submitting this for Certification with the above mentioned OEM radio with two (2) different antennas one which is their own the other a Lucent antenna I believe, previously certified with other products.

VoCollect, Inc. is submitting "**Apollo Terminal**" with LUCENT's WaveLan PCMCIA 2.4 GHz radio for certification under the FCC rules CFR Title 47 Part 15.247.

Also enclosed is an original Agent Authorization letter from VoCollect, Inc. authorizing Electronic Compliance Laboratories, Inc. to act on their behalf. In addition, all of the exhibits thought necessary to support this application are included, along with a confidentiality package.

A check in the amount of \$940.00 is included to cover the Certification application fee and the \$140.00 confidentiality fee has been sent to Mellon Bank.

If you have any questions please do not hesitate to call me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Chip Matheny'.
